

AIDA Annual Distillers' Conclave 2026

POWERING INDIA'S DISTILLERY FUTURE

Ethanol • Spirits • Innovation • Sustainability • E-100 Mobility

24th March, 2026

**Grand Ballroom, The Grand Hotel,
Vasant Kunj, New Delhi**

98107 83870, 9811007610

Introduction

The **All India Distillers' Association (AIDA)** presents the premier Annual Distillers' Conclave 2026, bringing together leaders from the ethanol and distillery sector, policymakers, technology innovators, and sustainability experts.

This landmark event aims to create a high-impact platform for knowledge sharing, policy dialogue, strategic collaboration, and industry recognition through a dedicated Awards Ceremony. Together, these engagements will help accelerate India's bio-energy vision and strengthen the future of the distillery ecosystem.

Focus

“Distilling India’s Future: Innovation, Sustainability & Policy,” focuses on the sector’s transformation through technological advancements, regulatory clarity, environmental stewardship, and future-ready investments

Mission

A high-impact day where leaders from distilleries, government, technology, academia, and finance explore ethanol innovation, sustainability and ZLD, regulatory frameworks, and future growth through investment, scale-up, and export

INDIA'S ONLY & LARGEST DISTILLERY SUMMIT IS HERE

- **4 HIGH-IMPACT TRACKS**
- **20 NEVER-BEFORE TOPICS**
- **300+ DECISION MAKERS**
- **1 UNMISSABLE AWARDS NIGHT**

TRACK 1 EMERGING TECHNOLOGIES & FUELS SHAPING THE NEXT DECADE

Recalibrating policy to unlock advanced biofuels, higher blending and long-term demand beyond ethanol.

Supply Chains, Technologies & Markets Beyond E20

- **Future-proofing India's ethanol and advanced biofuels supply chain**
- **Policy frameworks for higher blending, profitability & sustainability**
- **Beyond Ethanol: SAF, Ethanol–Diesel & Isobutanol blending, CBG, DDGS & co-products**
- **Integrated multi-fuel bio-energy ecosystems & decentralized production**
- **Predictive policy tools for blending, pricing & demand forecasting**
- **Reimagining food vs fuel through circular bio-economy strategies**

TRACK 2

ENERGY EFFICIENCY, SUSTAINABILITY & INNOVATION

Turning Distilleries into Profit-Making, Carbon-Negative Powerhouses

- **Distilleries as Carbon Sinks: Turning Emissions into Assets**
- **Smart Fermentation: AI, IoT & Digital Twins Revolution**
- **Net-Zero Distillery by 2035: The Complete Innovation Blueprint**
- **Beyond Compliance: Making ESG Your Growth Engine**
- **Waste Not, Want Not: 100% Circular Economy & Zero-Liquid-Discharge Models**

TRACK 3

FLEX-FUEL VEHICLES, E-100 & MARKET ADOPTION

From Distillery to Driveway: Powering India's Biofuel Mobility

- **Policy, standards & regulatory readiness for E-100 adoption**
- **Engineering true flex-fuel and multi-fuel vehicles across segments**
- **Next-generation engines for high-ethanol blends: performance, efficiency & emissions**
- **End-to-end E-100 value chain: distillery, logistics, storage & retail**
- **OMC readiness and private participation in ethanol fuel distribution**
- **Consumer adoption: pricing, taxation, incentives & trust-building**
- **Fleet-based adoption models: public transport, logistics & captive fleets**
- **Global learnings from Brazil and the roadmap beyond E-100**
- **Vision 2035: energy security, emissions reduction & farmer prosperity**

TRACK 4 **DISTILLERY TO** **MARKET:** **POTABLE** **ALCOHOL POLICY** **& GROWTH** **STRATEGY**

Where State Revenue Imperatives Meet Industry Sustainability & Investment Confidence.

Balancing State Excise Realities with Industry Viability

- **State excise policy uncertainty, pricing controls & inter-state trade barriers**
- **Margin pressures, cost inflation & impact on investments**
- **Ethanol vs potable alcohol: feedstock, capacity & policy balance**
- **Premiumisation, consumer shifts & portfolio strategy**
- **Technology, quality, traceability & ESG expectations**
- **Exports, consolidation & long-term policy signals for growth**

GRAND AWARDS NIGHT

Celebrating Excellence in India's Distillery & Ethanol Industry

- Grain-Based Ethanol Producer of the Year
- Molasses-Based Ethanol Producer of the Year
- Potable Alcohol Distiller of the Year
- Best Technologically Advanced Distillery
- Sustainability Champion Award
- Ethanol Innovator of the Year
- Flex-Fuel Vehicle Leadership Award
- Distillery Export Excellence Award
- Young Leader in Distilleries Award

**COCKTAIL RECEPTION &
GALA DINNER NETWORK
AND CELEBRATE WITH
INDUSTRY PIONEERS UNDER

USD 250

WHY THIS IS THE ONE EVENT YOU CANNOT MISS

- First look at 2026–2030 ethanol & spirits policy roadmap
- Technologies proven to cut energy costs by 20–40%
- Direct dialogue with automakers launching E-85/E-100 vehicles
- Meet investors actively funding distillery expansion & craft spirits
- Network with 300+ distillers, OMCs, regulators & global buyers
