Introduction

The **All India Distillers' Association (AIDA)** presents the premier Annual Distillers' Conclave 2026, bringing together leaders from the ethanol and distillery sector, policymakers, technology innovators, and sustainability experts.

This landmark event aims to create a high-impact platform for knowledge sharing, policy dialogue, strategic collaboration, and industry recognition through a dedicated Awards Ceremony. Together, these engagements will help accelerate India's bio-energy vision and strengthen the future of the distillery ecosystem.

Focus

“Distilling India’s Future: Innovation, Sustainability & Policy,” focuses on the sector’s transformation through technological advancements, regulatory clarity, environmental stewardship, and future-ready investments

Mission

A high-impact day where leaders from distilleries, government, technology, academia, and finance explore ethanol innovation, sustainability and ZLD, regulatory frameworks, and future growth through investment, scale-up, and export

Sponsorship Opportunities

AIDA Annual Distillers' Conclave 2026 offers a unique platform for organisations across the distillery, ethanol, biofuels, technology, equipment, logistics, sustainability, and allied sectors to position themselves as industry leaders in India's fast-evolving alcohol and bioenergy ecosystem.
